RECOMMENDED MONTHLY UPLOAD PACK

This makes opening-to-closing consolidated cash fully automatic

- Cash receipts and payments export**
Tally/ERP Excel with date, voucher, party, ledger, bank/cash account, debit, credit and narration.
- Statements for every bank / OD account**
Full-month Excel or CSV for IndusInd, BOB, Axis, SIDBI and every active account.
- Cash-in-hand ledger**
Opening balance plus every cash receipt and payment for the month.
- Loan and EMI schedule**
Principal, interest and charges split for each lender and related-party loan.
- Fixed-asset / capex movement file**
Asset purchases, sales and advances paid during the month; do not upload P&L.
- Prior month approved closing**
Can be stored automatically by the portal after the first complete month.

TEMPLATE DECISION

Approved structure; consolidated closing activates when items 2 and 3 are complete.
