POINT-BY-POINT INSIGHTS

Current month only

- 01 Positive cash month**
Inflows exceeded outflows by INR 27,393,448.64.
- 02 Receipts concentrated in exports**
Export collections formed 70.1% of total inflow.
- 03 Raw materials dominate cash use**
Supplier payments consumed 69.8% of total outflow.
- 04 Five categories drive payments**
Top five categories formed 87.5% of all payments.
- 05 Government cash support**
IGST refund and duty drawback contributed INR 37.93 lakh.

ACTIONS FOR NEXT MONTH

Cash-flow controls

- 1** Plan raw-material payment dates against expected customer receipts.
- 2** Track export collection timing because it drives 70.1% of cash inflow.
- 3** Upload BOB and Axis running statements for consolidated opening and closing cash.
- 4** Split every EMI into principal, interest and bank charges.
- 5** Tag fixed-asset purchases separately as investing cash flow.
